We will not be getting a newer vehicle from IDL this year.

One buyer has shown an interest in buying the Seagraves.

The garage sale brought in \$2,013. We will do a smaller one in the fall with the chili feed.

\$165 has been donated for the ice cream social supplies. Murray Park has waived the \$75/day rental charge. We will probably give them a donation from any profit. The social is July 4<sup>th</sup> from 6 to 9.

We need more research on an ATV ride fundraiser.

The budgeting system will be used through a trial year.

The large doors on the current building could be updated with new openers for \$1222.26. New doors and new openers would cost \$4490.26. Discussion determined that the priority was getting the new addition winter-worthy.

Steve will sign a new mutual aid agreement with IDL for wild fires.

A special meeting will be June 30<sup>th</sup> at 6:30 to discuss upcoming fundraisers.

Respectfully submitted,
