

## **PRICHARD-MURRAY VOLUNTEER FIRE DEPARTMENT, INC.**

**March 13, 2007 minutes**

**Present:** Mary Gothard, Ben Vaughn, Joe Moos, Roy Faler, Bev Johnk, Steve Coyle, Dewey Skaggs, Donna Skaggs, Stevie Gibbons, Warren Gibbons, Joe Goodman, Terrann Tester, James Cleveland, Donny Erickson

**Minutes for February** were approved as distributed.

<b>Finances:</b> Savings	\$24,175
EMS	\$26,856.27
Checking	\$1342.12

The **EMS vehicle** is still being worked on with Dave Smith. The supply boxes have been ordered from Cobalt. No generator is ordered. James will take care of a letter to the state about the progress of the vehicle.

The **Fundraising letter** has brought in \$1550 so far and more money is here.

The **Auction** brought in \$4803 total this year compared to about \$3600 last year.

**EMT-A training** is gone for this year. There is a possibility it will be available next year.

Joe Goodman from Kellogg Insurance presented information about **new insurance from VFIS, a company specializing in fire departments**. Currently our insurance costs \$3318 for all vehicles and the building. For about \$150 a year more we could add liability insurance to our current coverage. It was passed that we will change insurance. (If the county is not paying for insurance for the Murray station, it does not have any.)

Mark Huber is planning an **ATV ride May 12**. This will be a fundraiser for the fire hall. He will come to the next meeting to tell us his plans and needs.
