

PRICHARD-MURRAY VOLUNTEER FIRE DEPARTMENT, INC
NOVEMBER 11, 2008

Present: Joe Moos, Donna and Dewey Skaggs, Stevie Gibbons, Mary Decker, Bev Johnk, James Cleveland, Randy and Netta Babin

Minutes were approved.

Finances: Checking	\$4,418.26
Savings	\$16,290.95
Ems	\$2,619.41

We paid \$2000 for the engine out of checking and had a Sept. check clear and sent some money back to the state from Ems.

We will get a 7 month \$5000 CD with American West for 4%.

IRS has verbally released us from the fine for filing late and without one form. An extension has been filed for this year. The books are done.

Rifle raffle brought in \$1735, about \$400 more than last year. This year the firearms were fully donated. J.J. Achord won first prize and Mavis Curtis won second.

No new money has come in for the **matching funds grant**. James plans to ask WalMart for the remainder.

The **new-to-us engine** has insurance. Fuel cost us \$94 for the return trip thanks to a Flying J donation. The old one has stopped working and awaits the county guys' attention. We plan to get at least \$1000 for it and hope for \$2000.

James is working on a **grant** from Idaho Community Foundation that would fund the training/meeting room and office in the **new addition**.

We approved lodging cost for James to attend an **ICS class**. The **spending freeze** continues on other things until the matching funds are received.

Respectfully submitted,
Bev Johnk, secretary
