Chili Feed: Will be Saturday, October 13, with a bake sale.

Gun Raffle: Don Berger—Building Maintenance-- donated two rifles (\$600 and \$100 value) for the gun raffle.

Wal-Mart match: Some mix-up at Wal-Mart has complicated us getting a match from them for the ATV run. They are still working on it and James is hopeful that it will work out.

EMS: Three grants are in the works. \$400 for books for advanced EMT training. \$2400 for a stair chair and \$725 for stokes litter. — *applied for only*
— *approved, here*

James would like to get the books for the class before the grant comes through so people could start studying. Approved

T-shirts: If we pursue t-shirts for fundraising or other purposes, they would need to be a new design.

Grant: Cobalt truck equipment ran a raffle for a pick-up bed tool box for us. We received \$280 from them from this raffle.

James recommended that after the engine arrives we approach the **local newspaper** to run an **article** on all the things that are going on—web site, EMT vehicle, engine, addition, advanced emts, etc.
